

Associate

Co-Op / Internship Position

May to August (4 months) or Sept to Dec (4 months)

About Deetken Insight:

Deetken Insight is a strategy advisory firm that collaborates with our clients to solve complex and sensitive business challenges. We aim to create lasting impact through a hands-on approach, analytical rigour, and customized solutions that precisely meet our clients' needs. We primarily serve provincial crown agencies and national government clients. At Deetken, we are privileged to tackle tough problems and make a real impact in our communities. We have offices in Vancouver and Victoria and virtual teams across Canada.

Deetken Insight is one of Canada's Best Employers for recent graduates and is included in the 2026 edition of The Career Directory. We have a long track record of providing a growth-oriented environment for recent graduates.

About the Position:

We are looking for candidates who thrive in a dynamic environment, are initiative-takers, and are comfortable working independently or as part of a team. Deetken will help you leverage your formal education, training, work experience, and curiosity to contribute to the important work our clients have entrusted us with.

Candidates for this position are expected to work in the office four days a week.

Qualifications:

- Recently completed (or expected to be completed by Dec 2026) a master's degree in analytical science (e.g., Economics or Business Analytics).
- Critical thinking skills with a proven ability to synthesize complex information quickly and identify key focus areas.
- Exceptional analytical and quantitative problem-solving abilities.
- Curiosity and initiative, with a strong focus on uncovering meaningful insights.
- Excellent communication skills, both written and oral, with the ability to convey complex concepts clearly and effectively to diverse audiences.
- Adaptability to thrive under tight deadlines and evolving client needs.
- Relationship-building skills, with the ability to establish trust and collaborate effectively with internal and external stakeholders.

A decorative graphic in the top left corner consisting of a yellow square, a blue square, and a yellow square with dashed lines connecting them.

Key Responsibilities:

- Conduct research and synthesize findings.
- Conduct and synthesize quantitative and qualitative analyses.
- Support data collection, client interviews, and facilitated workshops.
- Prepare sections of reports and presentations.
- Work independently and as part of a team as required.
- Collaborate with the Deetken team to conduct projects and internal initiatives.

Compensation: \$1,900 bi-weekly

Interested candidates are encouraged to send their curriculum vitae along with a covering letter to Anita Yang at careers@deetken.com by January 26, 2026. Please indicate in your cover letter that you are applying for an Associate Co-Op / Internship position and your preferred availability to start, i.e. May or Sept 2026.

We encourage all potential applicants to visit our website at deetken.com to meet our team, learn more about what we do and review our Core Values that reflect how we achieve success as a team and individually.
