

Associate

Consulting Internship Position – Vancouver or Victoria

Jan to April 2027 (4 months)

About Deetken Insight:

Deetken Insight is a strategy advisory firm that collaborates with our clients to solve complex and sensitive business challenges. We aim to create lasting impact through a hands-on approach, analytical rigour, and customized solutions that precisely meet our clients' needs. We primarily serve provincial crown agencies and national government clients. At Deetken, we are privileged to tackle tough problems and make a real impact in our communities. We have offices in Vancouver and Victoria and virtual teams across Canada.

Deetken Insight is one of Canada's Best Employers for recent graduates and is included in the 2026 edition of The Career Directory. We have a long track record of providing a growth-oriented environment for recent graduates.

About the Position:

We are looking for candidates who thrive in a dynamic environment, are initiative-takers, and are comfortable working independently or as part of a team. Deetken will help you leverage your formal education, training, work experience, and curiosity to contribute to the important work our clients have entrusted us with.

Candidates for this position are expected to work in one of our offices (Vancouver or Victoria) four days a week. This is a full-time internship position.

Qualifications:

- Recently completed (or expected to be completed by April 2027 and available for a January to April 2027 internship) a master's degree in analytical science (e.g., Economics, Statistics or Business Analytics), business (e.g. MBA, commerce), humanities (e.g. political science, public administration, sociology) among other relevant degrees. Exceptional candidates with a bachelor's degree may be considered.
- Critical thinking skills with a proven ability to synthesize complex information quickly and identify key focus areas.
- Exceptional analytical (quantitative/qualitative) and problem-solving abilities.
- Proficient working in Excel, PowerPoint and ideally, at least one analytical environment (e.g., R, Python, Stata, or SQL) to clean, analyze, and visualize data.
- Curiosity and initiative, with a strong focus on uncovering meaningful insights.

- Excellent communication skills, both written and oral, with the ability to convey complex concepts clearly and effectively to diverse audiences.
- Adaptability to thrive under tight deadlines and evolving client needs.
- Relationship-building skills, with the ability to establish trust and collaborate effectively with internal and external stakeholders.

Key Responsibilities:

- Conduct research and synthesize findings.
- Conduct and synthesize quantitative and qualitative analyses.
- Support data collection, client interviews, and facilitated workshops.
- Prepare sections of reports and presentations.
- Work independently and as part of a team as required.
- Collaborate with the Deetken team to conduct projects and internal initiatives.

Compensation: \$1,900 bi-weekly, inclusive of vacation pay

Interested candidates are encouraged to send their curriculum vitae along with a covering letter and transcripts to Anita Yang at careers@deetken.com by September 18, 2026. Please indicate in your cover letter that you are applying for a Consulting Internship position and your location.

We encourage all potential applicants to visit our website at www.deetken.com to meet our team, learn more about what we do and review our Core Values that reflect how we achieve success as a team and individually.
